Patrick Pretty Opens Retail Store At [e-Junkie.com](http://e-junkie.com)

PITTSBURGH (Nov. 5, 2007) — Internet Marketing's “Sensational Master Of Eye Candy” has opened a retail outlet at e-junkie.com.

“I am impressed by e-junkie.com's ease of use,” Patrick Pretty said. “I tested e-junkie.com's product-delivery system as part of my 1,000th Post Celebration at The Warrior Forum. Delivery was virtually seamless.”

Among the products in Patrick Pretty's e-junkie.com store are:

- [“Pluck Forever.”](#) Patrick Pretty's guide to bypassing hype when presenting offers for Internet Marketing products.
- [“How To Create High-Value InfoProducts In A Flash.”](#) a fine report by Case Stevens that teaches Internet Marketers how to use Open Office to create eBooks. Case, along with Patrick Pretty and 16 others, is a co-author of “20 Ways To Make \$100 Per Day Online.”
- [“eWriterPro.”](#) a software tool that has a built-in word processor and PDF-converter to help Internet Marketers create information products at the push of a button.

[More]

“E-junkie.com is increasing its footprint online dramatically,” Patrick Pretty said. “I was able to create an e-junkie account easily, upload my products and arrange for instant downloads and download links to be sent to my customers upon purchase.”
